DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The communication filed on 12/10/04 is not fully responsive to the communication mailed 11/4/04 for the following reasons: a complete listing of all claims is not present and the claims have not been amended properly under 37 C.F.R. 1.121. (1) A complete listing of all claims is not present, i.e., claims renumbered 1-4 appear to correspond to originally filed claims 1-4 and claims renumbered 5-9 appear to correspond to originally filed claims 6-10, with original claim 5 missing. (2) the claim set must show all the changes relative to the previous version, i.e., the changes to claims in the amendment filed 12/10/04 do not correspond to text present in the claims in the amendment filed 8/16/04, i.e., for example, in claim 2 (amended from claim 35 to claim 2) of the amendment filed 12/10/04, "34" has been deleted, and in the previous version of claim 35, "34" is not present in the claim. (3) The amendment filed 8/16/04 does not show changes relative to the previous version (originally filed claims of 2/17/04). (4) In addition, Applicant submitted a revised amendment to the abstract (rather than a replacement paragraph), however, there is not an abstract present in the originally filed application. It is requested that Applicant clarify this issue. 37 C.F.R. 1.121 requires that the replacement paragraph(s) must include each replacement paragraph with markings to show the changes relative to the previous version.

Since the response appears to be bona fide, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to Examiner Marianne DiBrino, Art Unit 1644, whose telephone number is 571-272-0842.
